We will meet (I will explain one-site) for our annual photo, then move in groups (each with an adult) through-out the festival completing your assignments (will be passed out Wednesday) and enjoying the festival. At 2:15 pm we will again (I will explain one-site) meet for role call and to go to the bus for the return trip. During the festival, you must stay inside the festival grounds at all times. You may want to have \$\$ for souvenirs at the festival and for lunch.

We will make a stop for dinner (bring \$\$) en route, returning to CMHS at approx. 7:45pm. When we are within an hour, (around Charleston) Mr. Harkless will ask you to call home so your rides will be here waiting.

In case of emergency Mr. Harkless will contact your parents with information listed on your travel/medical form. Parents may call Mr. Harkless' office at 743-7420 if a message is needed to be delivered to a student. His voice mail will be checked daily.

For the bus/hotel:

Do not have cell phones on in the festival! (Their rule) And you may **NOT** be using a cell phone during announcements/group meeting, etc. for any reason. You may bring personal listening devices, but keep in mind they must be "non-intrusive" (ie, if I am beside you, I cannot hear it!) to other members on the bus. You may bring movies (subject to Mr. Harkless' guidelines), snacks (NOT messy ones! And **no glass** containers) You should bring – clothes, personal items you need for an overnight trip. (Pack lightly!!) Keep in mind, the festival goes rain or shine so have some type of light rain gear with you in case it clouds over!
